

I listen exclusively to K-LOVE radio, which is broadcast on 91.3, 106.3, and 92.1 in my area. As a devout Christian, I find precious few moments when I can focus on God, and the times I listen to K-LOVE commuting to work or working around the house are big portions of time that I can devote to my faith. I am a very musical person, and this music is EXTREMELY important to me. It is the way I learn about new Christian music that is available for purchase, and decide what to buy. Without K-LOVE, there is no way for me to stay current with the music that feeds my soul. Paid programming rarely serves the community in the way that listener supported stations such as K-LOVE does...I know countless others in my community that listen to K-LOVE just as often as I do. Please...DON'T DO ANYTHING THAT WOULD CAUSE K-LOVE TO GO OFF THE AIR, SUCH AS CHANGING RULES TO GIVE LPFM SIGNALS PRIORITY OVER FM TRANSLATOR SERVICE. Many of us struggle with difficult issues in our lives, and K-LOVE is an encouraging oasis in the midst of troubled times. Please keep it on the air!!!
